Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

F 000	Continued From page 2 A Partial Extended Survey was initiated after the deficiency was identified at the IJ/SQC (Substandard Quality of Care) level.  The <b>U.S. FOIA (b) (6)</b> was informed of the past non-compliance IJ and was provided with the IJ Template on 04/19/2024.  The facility provided an acceptable removal plan on 04/22/2024 at 9:30 AM. The removal plan included the immediate action that the facility took to prevent serious harm from occurring or recurring. The facility implemented a corrective action plan relative to F 689 to remediate the deficient practice including facility wide staff education regarding the <b>NJ Ex Order 26-4(b)(1)</b> policies. The survey team verified all elements of the facility's past non-compliance IJ removal plan on-site. The past non-compliance IJ removal plan was confirmed to be in compliance on 04/22/2024.	F 000			
F 658 SS=D	Services Provided Meet Professional Standards CFR(s): 483.21(b)(3)(i)  §483.21(b)(3) Comprehensive Care Plans The services provided or arranged by the facility, as outlined by the comprehensive care plan, must- (i) Meet professional standards of quality. This REQUIREMENT is not met as evidenced by: Based on observation, interview, record review and review of facility documents, it was determined that the facility failed to adhere to acceptable standards of nursing practice. This deficient practice was identified in 4 of 7 residents who had medication improperly prepared for administration, 1. Resident #86, #199, #73, #200, 2. facility failed to ensure a	F 658	1. S 000	Initial Comments  The facility was not in compliance with the standards in the New Jersey Administrative code, 8:39, standards for licensure of Long Term Care Facilities. The facility must submit a Plan of Correction, including a completion date for each deficiency and ensure that the plan is implemented. Failure to correct deficiencies may result in enforcement action in accordance with the provisions of the New Jersey Administrative Code, Title 8, chapter 43E, enforcement of licensure regulations.	S 000		
S 560	8:39-5.1(a) Mandatory Access to Care  (a) The facility shall comply with applicable Federal, State, and local laws, rules, and regulations.  This REQUIREMENT is not met as evidenced by: Complaint #NJ165064 Complaint #NJ167260 Complaint #NJ167255 Complaint #NJ170551 Complaint #NJ167044 Complaint #NJ169248  Based on observation, interview, and review of pertinent facility documentation, it was determined the facility failed to maintain the required minimum direct care staff-to-resident ratios as mandated by the state of New Jersey. This deficient practice was evidenced by the following:  Reference: NJ State requirement, CHAPTER 112. An Act concerning staffing requirements for	S 560	1. No Residents were affected by this deficient practice. 2. All Residents have the potential to be affected by this deficient practice. 3. Additional per diem, part-time and full-time workforce were scheduled to meet minimum staff to resident ratios. DON/ Designee to in-service Staffing Coordinator on appropriate staffing levels. The facility has advised opening jobs through online recruitment platforms as well as traditional recruitment firms. The facility has conducted job fairs and has contracts with nursing staffing agencies. 4. DON/ Designee will audit staffing weekly x4 weeks then monthly x 3 months. The results of the audit will be	5/24/24

Any deficiency statement ending with an asterisk (\*) denotes a deficiency which the institution may be excused from correcting providing it is determined that other safeguards provide sufficient protection to the patients. (See instructions.) Except for nursing homes, the findings stated above are disclosable 90 days following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosable 14 days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
