Systematic measures implemented to prevent lack of family notification are to review the Order Listing Report (OLR) in Point Click Care (PCC) at the end of each shift by the Unit Manager(s); ADON; Supervisor; and/or DON which will be used as the tool to ensure that notification of a change, addition, or discontinuation of a medication, or a change in physical or mental condition, has been made to the appropriate family member and/or responsible party. Notification to the family member and/or responsible party must be in the form of a written progress note in the medical record.</p> <p>4. The center will monitor the notification of a family member and/or responsible party by weekly review of the OLR checklist report by Unit accompanied by a corresponding written progress note. The weekly check will be completed by the Unit Manager; ADON; Supervisor; and/or DON. The monitoring period will be four (4) weeks for the first month; three (3) weeks for the second month; and two (2) weeks for the third month. Results of the weekly review will be forwarded to the QA Committee quarterly for further recommendations as necessary.</p>

F 580	<p>Continued From page 3</p> <p>A review of the progress notes revealed there was no documentation that LPN #1 or any other staff notified the family about the new order for [REDACTED] Executive Order 26, 4.b</p> <p>LPN #1 was interviewed on 03/09/2022 at 10:22 AM. LPN #1 acknowledged she was the nurse who entered the [REDACTED] Executive Order 26, 4.b orders into the electronic medical record (EMR) system on [REDACTED] Executive Order 26, 4.b after receiving a verbal order from Resident [REDACTED] Executive physician. The nurse stated Resident [REDACTED] Executive family was in the building daily, and she was sure she informed them about the [REDACTED] Executive Order 26, 4.b order although she acknowledged there was no documentation that confirmed the conversation. The nurse stated it was her normal practice to notify family members of any medication changes, so she could not imagine she had changed her normal practice this time.</p> <p>The Director of Nursing (DON) was interviewed on 03/09/2022 at 10:22 AM. The DON stated she expected the nurses to notify family members when there was any type of change in a resident's condition, including new medications. She added since Resident [REDACTED] Executive family was in the facility daily she was sure LPN #1 had notified the family about the [REDACTED] Executive Order 26, 4.b</p> <p>New Jersey Administrative Code § 8:39-5.1(a)</p>	F 580
